BACKGROUND

On September 2, 1996, the City of Dover, Dover Municipal Employees Association (DMEA) and the American Federation of State, County and Municipal Employees (AFSCME), Local 572, joined in filing a modification petition seeking to modify the composition of the two bargaining units by transferring the

position of recycling coordinator from the former bargaining unit to the latter bargaining unit citing changes in conditions as the reason for the desired change. Upon review of the two bargaining unit certifications (AFSCME, Local 572, dated December 7, 1976 and DMEA dated February 28, 1989), it became apparent that the position in question had not been included in either unit. On October 7, 1996, a hearing on the composition of both bargaining units was held before the undersigned hearing officer. Post-hearing submissions were received from Mr. Joyal on October 18, 1996 and November 8, 1996. The record was closed on November 8, 1996.
